

特別指定演者

日時：4月14日(木) 10:00～11:00

会場：第1会場

特別講演 1

The World after COVID

演者 **Jared Diamond** (Univ of California, Los Angeles, USA)

Jared Diamond is a Pulitzer-prize-winning author of six best-selling books, translated into 38 languages, about human societies and human evolution: *Guns, Germs, and Steel*, *Collapse*, *Why Is Sex Fun?*, *The Third Chimpanzee*, *The World until Yesterday*, and *Upheaval*. As a professor of geography at UCLA (University of California at Los Angeles), he is known for his breadth of interests, which involves conducting research and teaching in three other fields: the biology of New Guinea birds, digestive physiology, and conservation biology. His prizes and honors include the U.S. National Medal of Science, the Pulitzer Prize for Non-fiction, the Tyler Prize for Environmental Science, and election to the U.S. National Academy of Sciences. He is a director of World Wildlife Fund/U.S. and of Conservation International. As a biological explorer, his most widely publicized finding was his rediscovery, at the top of New Guinea's remote Foja Mountains, of the long-lost Golden-fronted Bowerbird, previously known only from four specimens found in a Paris feather shop in 1895.
