ILLS 2025

The 5th World Congress of the International Laparoscopic Liver Society & The 3rd International Consensus Conference on Minimally Invasive Liver Resections

WE INVITE YOU TO ILLS 2025!

ILLS 2025 will be hosted in Korea for the first time since the establishment of the International Laparoscopic Liver Society (ILLS) in 2016. As the world’s premier event in the field of liver resection, ILLS 2025 will bring together over 1,000 surgeons, academics, and industry experts from 30 countries worldwide.

We kindly request your support in promoting this significant event to your members. This will allow them the valuable opportunity to share their latest insights and establish networks with leading experts from around the world. Please refer to the details below to assist in these promotional efforts.
