Journal partners

There are journal partners that can pay some or all of your APC if your institution has no funding, has reached its quota of available funds or only pays part of your APC.

Select all the partners that apply to you:

☒

International Climate Change Research and Information

The International Climate Change Research and Information Programme can help pay the APC for some authors publishing in Journal of Climate Change, if needed. Send a message to this partner. This will help them identify you and confirm your eligibility for the funding they offer. Please include a membership number (if applicable).

Agree to publish

Dear Dr. Xiang Hu

Before we can continue with the publication of your article, we need you, the corresponding author, to provide us with permission to publish.

In order to generate the correct publishing agreement for you to sign, please make your selection from the options below.

Are you, as the corresponding author:

- ☐ An employee of the United States Government
- ☐ An employee of the Government of the United Kingdom of Great Britain and Northern Ireland, Canada or Australia
- ☐ Neither of the above

←日本の国内機関所属の著者は“Neither of the above”を選択

Grant of Rights
1. For good and valuable consideration, the Author hereby grants to the Licensee the perpetual, non-exclusive, irrevocable, world-wide, assignable, sublicensable and undivided right to publish, reproduce, copy, distribute, communicate, display publicly, sell, rent and/or otherwise make available the article described above, including any supplementary information and graphic elements therein (e.g. illustrations, charts, moving images) (the "Article") in any language, in any version or editions in any and all forms and/or media of expression (including without limitation in connection with any and all end-user devices), whether now known or developed in the future. Without limitation, the above grant includes: (i) the right to edit, alter, adapt, adjust and prepare derivative works; (ii) all advertising and marketing rights including without limitation in relation to social media; (iii) rights for any training, educational and/or instructional purposes; (iv) the right to add and/or remove links or connections with other materials; and (v) the right to create, use and/or license and/or sub-license content data or metadata of any kind in relation to the Article (including abstracts and summaries) without restriction. The above rights are granted in relation to the Article as a whole or any part and with or in relation to any other works.
2. Without limiting the rights granted above, Licensee is granted the right to use the Article for the purposes of analysis, testing, and development of publishing- and research-related workflows, systems, products, services, and services to confidentially share the Article with select third parties to do the same, and to retain and reuse the Article and any associated correspondence/information to maintain the historical record, and to facilitate research integrity investigations. The grant of rights set forth in this clause do not constitute.
3. The Licensee will have the right, but not the obligation, to exercise any or all of the rights granted herein, if the Licensee elects not to publish the Article for any reason, all publishing rights under this Agreement as set forth in clause 3.1c above will revert to the Author.
3. Copyright
Ownership of copyright in the Article will be vested in the name of the Author. When reproducing the Article or extracts from it, the Author will acknowledge and reference that publication in the Journal.
4. Use of Article Versions
4.1 For purposes of this Agreement (i) references to the "Article" include all versions of the Article (ii) "Submitted Manuscript" means the version of the Article as first submitted by the Author; (iii) "Accepted Manuscript" means the version of the Article accepted for publication, but prior to typesetting and typesetting; and (iv) "Version of Record" means the version of the Article published by the Licensee after copy-editing and typesetting. Rights to all versions of the Manuscript are granted to the Author.
